Parking during early voting

Hi Barry,

We'd like to request an exception to our parking agreement for early voting. Specifically, we're hoping to keep the gates down and have a validator available in 308/309 so election board staff and voters aren't paying for parking. Keeping the gates up during past early voting periods has led to parking issues with our neighbors (local neighbors parking in the lot 24/7, people not using the library and parking for free) , which we're trying to avoid this time around.

Totally understand if this isn't workable — if not, we'll follow the agreement and keep the gates up as planned.

Thanks for considering,
Kathleen

Complaint Narrative

(attach additional pages if necessary)

On June 24, 2026, I sent a PIA request to the Washington County Board of Elections for records identifying who deposited ballots in early-voting drop boxes, when the ballots were deposited, how many were sent, where they were sent, and communications concerning the legal effect of the first or second ballot iteration. See attached request thread. The Washington County Board of Elections never acknowledged, granted, or denied the request. It did not provide the required 10-working-day notice, an anticipated production date, a fee estimate, or a reason for delay. I did not consent to an extension. GP § 4-203(a)(1) required a response promptly and no later than 30 days. On August 24, 2026, the Ombudsman issued a Final Determination confirming the failure to respond and stating that the dispute remains unresolved. I ask the Board to find a violation, order a prompt response, and waive any fee under GP § 4-1A-04(a)(3)(iii).

ADDITIONAL INFORMATION

Please attach the following to this form, if available:

- A copy of the original PIA request to the custodian.
- A copy of the custodian's final response to the PIA request.
- A copy of the Public Access Ombudsman's Final Determination.

In addition, you may attach any correspondence between the requester and the custodian that you believe is relevant to the dispute. In the event that any or all of these items are unavailable, please attach a separate document(s) providing a narrative of the PIA request and/or the custodian's response(s), including dates, key details, and contact information.

Please do not attach any mediation information or communications, or records that you consider privileged, confidential, or otherwise exempt from public disclosure. Your complaint and any attachments thereto are public records of the PIACB subject to disclosure under the PIA.

**OMBUDSMAN'S FINAL DETERMINATION AND
STATEMENT OF CONFLICT**

REQUESTER: JUSTIN HOLDER
CUSTODIAN: WASHINGTON COUNTY BOARD OF ELECTIONS

AUGUST 24, 2026

Relevant Background of Dispute

On June 24, 2026, the requester, Justin Holder, submitted a Maryland Public Information Act ("PIA") request to the Washington County Board of Elections ("WCBoE") for the following records:

I want to inspect any and all public records that inform me of who dropped ballots in early voter drop boxes, when they were dropped, how many were sent, and where they were sent, and all communicatoons [sic] related to the legal effect of the [] 1st or second iteration thereof.

Request for Dispute Resolution & Dispute Presented

Mr. Holder contacted the Public Access Ombudsman to request dispute resolution on August 10, 2026. The dispute presented for resolution was the WCBoE's failure to provide a response within 30 days.

Statement of Ombudsman Conflict Regarding Dispute Resolution

The Office of the Public Access Ombudsman is unable to mediate this dispute due to ongoing conflicts that prevent both the Ombudsman and Deputy Ombudsman from serving as third-party neutrals in disputes involving Mr. Holder. Mr. Holder and WCBoE have been advised of the circumstances resulting in these conflicts.

Per COMAR 14.37.02.07C, the matter is **unresolved** due to conflict.

Notice of PIA Compliance Board Complaint Procedures

For certain disputes that are **unresolved** or only **partially resolved** following dispute resolution with the Ombudsman, a requester or custodian has the right to file a complaint with the PIA Compliance Board ("PIACB"). Such disputes include disputes about:

- Denial of inspection of a public record;
- Charging unreasonable fees higher than \$350;
- A failure to respond to a request for a public record within certain statutory time limits; and
- Frivolous, vexatious, or bad faith requests.

A complaint must be filed within 30 days of receipt of the final determination issued by the Office of the Public Access Ombudsman.

Please note: the Ombudsman does not file complaints with the PIACB. For more information about the Board's procedures, please see the Board's regulations, COMAR Title 14, Subtitle 02. A complaint can be filed by email to the Board's dedicated inbox at piaopengov@oag.maryland.gov or by mail at:

Deat SBE/LOCAL MPIA,

I want to inspect any and all public records that inform me of who dropped ballots in early voter drop boxes, when they were dropped, how many were sent, and where they were sent, and all communicatoons related to the legal effect of thev1st or second iteration thereof.

Fee waiver

In 2022, Ira Cooke came into the boatd of elections and tossed ballots everywhere from my understanding. Adam Grievell was a candidate against Joe Micheal for judge in 2022, and ahead when that canvassing started. Ira was my lawyer until Joe caught him smoking Crack with a hoover, and turned his bitch ass out. Now Ira works for Joe, and Joe won in 2022. Gina charged me 1.7 million to get Joe's emails, and I think Adam will waive the fees. The public is concerned with fair elections, and charging a fee would execaerbate that controversy.

Hi Barry, et al.,

Generally, I am making the same request pursuant to the Maryland Public Information Act for the same public records, and ask that consideration be taken of any status I may have as a person in interest as a candidate* with respect to the foregoing requested records. Additionally, I would like to request all footage of all canvassing of all mail-in-ballots since 6/1/2026, as well as specific separation, "voiding," "quarantining," segregating or other procedures specifically employed with regards to distinguishing and/or disambiguating between the first "batch" of mail-in ballots which were said to have been "void" upon the discovery of the erroneous party-ballot deliveries, and the second (corrected) "batch".

I do not reiterate Mr. Holder's fee waiver request, as stated, but do request that any fee be waived in the interest of a free and fair election, and, in particular, in light of the public interest in a race separated by 18 votes, the public interest in which being evidenced by the article presently published here: https://www.heraldmillmedia.com/story/news/politics/elections/2026/06/23/live-updates-primary-results-for-maryland-2026-gubernatorial-election--live/90642135007/?link_source=ta_first_comment&taid=6a3abba16c92be00011f319f&utm_campaign=trueanthem&utm_medium=social&utm_source=facebook&fbclid=IwY2xjawSoRiNleHRuA2FibQIxMABi cmlkETfxNmRLUHHdQTBERT5c1J3c3J0YwZhcHBfaWQQMjlyMDM5MTc4ODlwMDg5MgABHmIKTq3b80jGScrK4VpGEAfpC4H-fr57s1nCnHgCFD3J-KnH5uCYLZYUZe_aem_XziEzz1CGAHGYVGgzAxiGA as well as the numerous articles related to the mail-in-ballot re-do issue.

As a candidate, I have a special interest in ensuring that every ballot lawfully cast for any candidate in this race be counted, that no ballot unlawfully cast for any candidate be counted, and that every lawful ballot be counted according to the constitution and applicable laws and regulations.

I further request that all such records be preserved for any related litigation that may result.

Thank you,

Dear Local and State Election board MPIA,

This would include the emails, notes, correspondence have guidance from the state that if a voter changes their registration, party registration, any time after they receive their mail in ballot and they only vote one ballot, they are to count that ballot regardless of whether the ballot matches their party registration as of whatever date, the date they signed and mailed the ballot or the date the board received the ballot or the election day or the June 2 cutoff, they are told to count that ballot no matter what.

I demand those are reales immediately, as they are in the public interest.

Justin
